

CSE 1311
Homework #1
Assigned: September 18, 2018
Due: October 2, 2018

This file is a homework assignment for a college course that includes individual work

Instructions

Do the following exercises from the text book. The solution (the source code only) must be emailed to rohithankarvij.mishra@mavs.uta.edu by midnight of October 2, 2018. All problems in this homework must be correctly labeled and in order to receive credit. Make certain your name, the date, and student ID are at the top of your email message. You should **only email the C files** of your program.

Problems:

Write Programs for Problem 4, 5, and 11 from Chapter 1 of the text book.

Where and how to submit? Email to rohithankarvij.mishra@mavs.uta.edu
