I, ____________________________, agree to proctor and observe __________________________ taking “CSE3322-071 Computer Architecture” Midterm Exam. The exam will commence on October 6th, 1999 at 2:30PM for a period of one and one-half hours (1 hour and 30 minutes). The exam is a closed book, closed notes exam. Calculator use is permitted during the exam. The instructor, Maher Al-Khaiyat, will fax the exam questions to me few minutes before the scheduled time of the exam period. At the end of the exam period, I will fax the solutions back to the instructor. After the instructor acknowledges the receipt of the faxed solutions, I will destroy all the exam material in my possession.
